Official Guide

(Lauren Kennedy, 2012)

1.

- Green symbolizes many issues, but most importantly, it represents the verdant landscape.
- White represents the hope for equality between religious groups.
- The symbolism of the colors is as meaningful today as at the time when the flag was designed.**
- Prior to 1848 all three colors had little symbolic significance.
- Orange is associated with Irish Protestants because of the victory of William III.**
- When viewed from left to right the colors of the flag are orange, white, and green.

2.

- Cereals are a cheap and nutritionally degraded food processed and marketed as a healthy breakfast option.**
- Very few people in Britain ate breakfast before the advent of US marketing.
- The problems with our modern diet have arisen quickly and without any discernible cause.
- Processed food for human consumption should have artificially restore nutritional elements.
- The problems arising from the modern British diet are closely linked to the industrial processing of food.**
- It was not until the Industrial Revolution that people began to eat an appropriate diet.

3.

- the failure of critics to develop an agreed vocabulary of colour
- the chemical composition of the film**
- the move to an electronically determined aesthetic
- objectively of colour awareness
- the viewer's own sense of colour appreciation**
- the generational gap between the object and the photograph

4.

- X-ray crystallization causes a reduction in the interatomic distance of wavelengths.
- X-rays are scattered according to the atomic structure of the crystal lattice.**
- The process can be used to determine the chemical structure of biological compounds.**
- X-rays will not diffract in crystalline substances.

5.

- the provisions of the British Calendar Act of 1751
- Britain's continued use of the Julian Calendar**
- The accrual of very minor differences between the calendar used in Britain and real solar events**
- The failure to include years divisible by four as leap years
- The decree of Pope Gregory XIII**
- revolutionary ideas which had emerged from the West Indies
- Britain's use of a calendar consisting of twelve months rather than eleven

6.

- Just under two million people live in Botswana.
- Most Botswana speak the official language.
- The population is comprised of very few Basarwa.**
- Most citizens of Botswana have no religious affiliation.
- The life expectancy of the average citizen is 50.1 years.
- People of Tswana background are also referred to as Setswana.**
